## Sheep Market Report

**6TH AUGUST 2025 - A YARDING OF 5,975 SHEEP & LAMBS, WITH 3,080 LAMBS AND THE BALANCE SHEEP.**

Another good run of lambs with most weights and grades represented, although not as many extra heavy's penned. Another Dunedoo record broken this fortnight in the lambs with Minemoorong selling some excellent extra heavy's to \$446, with most selling either side of firm. Heavy and trade lambs also sold to similar rates with the secondary types cheaper. Only 250 suckers penned but selling stronger up to \$310 for an excellent run from Anthony & Teagan Large. The sheep market was on fire with all processors competing strongly for numbers. Another record was broken on grown sheep with Garry & Kel Cox, Langdene selling some awesome merino wethers to make \$320. Light sheep also sold well to be \$10 dearer.

# Cattle Market Report

## 6TH AUGUST 2025 - 1174 CATTLE YARDED

A very good yarding for well finished yearling steers & heifers and a large run of cows saw very strong competition this fortnight. Steers & heifers to suit the trade were 8-10c/kg dearer with a major supermarket back this week. Heavy cattle saw similar trends to be 8-10c/kg dearer and more in places. The cow market again kept sailing up with the best of the cows this week making 382c/kg to be 20-30c/kg dearer on the heavy's and 10-20c/kg dearer on the 1-2 scores.
