Numbers were similar to the last sale, with a yarding of lambs where quality remained high. Medium and light lambs to processors sold firm to \$10 cheaper, with Dorpers and Aussie Whites making up the majority of the offering. Merino lambs sold \$5 dearer to a top of \$220. Hoggets sold to \$270 for the crossbred portion and \$187 for the best pen of Merinos. Crossbred ewes sold \$10-\$15 dearer, with the top pen reaching \$283, while 3-4 score Merino ewes sold cheaper due to quality, topping at \$210, although the overall ewe market remained firm. The best ram made \$130.

## 2025 Christmas Message

As 2025 draws to a close, it's hard to believe how quickly the year has passed. The season has been kind to our region, particularly when compared with conditions further south, although the past three to four months have been drier than we would have liked.

The lamb market has been exceptionally strong over the last 12 months, especially throughout winter, when new records seemed to be set week after week. The much-talked-about \$400 mark was well and truly surpassed, and producers who have remained committed to sheep have been rewarded. Encouragingly, mutton prices have also received a much-needed lift and are tracking well, with all indicators pointing to a strong start to the new year.

The introduction of sheep and lamb eID tag scanning has come with some minor teething issues, but overall the rollout has been successful.

Cattle markets have continued to show remarkable resilience. Despite the large numbers offered in the lead-up to Christmas, prices have held up extraordinarily well. Strong export demand for cows has underpinned the market, and even when feeder demand appears well supplied, competition for heavy kill cattle remains solid.

The Dunedoo Saleyards have seen record yardings this year, in line with much of New South Wales. If seasonal conditions continue favourably into 2026, we expect markets to remain comparable to, or stronger than, where they finish in 2025.

Finally, from all of us at Milling Stuart, thank you for your continued support throughout 2025. We wish you and your families a safe and happy Christmas and look forward to working with you again in the year ahead.

## **I Never Said That!**

When God gave out brains, I thought  
he said trains, and I missed mine.  
When God gave out looks, I thought he  
said books, and I didn't want any.  
When God gave out noses, I thought he  
said roses, and I asked for a red one.  
When God gave out legs, I thought he  
said kegs, and I asked for 2 fat ones.  
When God gave out ears, I thought he  
said beers, and I asked for 2 long ones.  
When God gave out chins, I thought he  
said gins, and I ordered a double.  
When God gave out heads, I thought  
he said beds, and I asked for a soft  
one.

Since then, dear God, I will try to listen  
better!
